SIRENIS
HOTELS & RESORTS

Discover our **Sirenis Tropical Varadero** hotel, located in Cuba's main destination to go to the beach and soak up the sun. It has direct access to two idyllic beaches, with fine white sand, turquoise waters and tropical vegetation that will make this Caribbean resort the holiday destination of your dreams.

Sirenis

Tropical Varadero, Cuba

You can now enjoy this resort with your family, friends or significant other in the spectacular, sublime touristic location of Varadero in Cuba.

DESTINATION

Environment & Culture

Cuba is an archipelago and, as well as its beaches, the rum, the rumba and the cigars, Cuba is, above all, its people, traditions, culture and its amazing fusion. With this combination, Cuba's beliefs and religions converge as a result of great cultural combinations.

Discover the essence of Cuba in a splendid location just like Varadero, a unique proposal for an exotic and relaxing holiday, where you can disconnect thanks to its idyllic beaches and a wild, abundant natural landscape.

CONTACT INFORMATION & LOCATION

The Varahicacos Ecological Reserve, which is under 5 km from the complex, offers the opportunity to connect with Cuba's abundant vegetation in a fun trip, once you've enjoyed the Caribbean waters. This area of untouched woods is home to unique species, such as the 'Patriarca', Cuba's oldest living organism, a cactus that is 500 years old. What's more, around the hotel, you can take part in an endless array of water and nature activities, or even sample the lively atmosphere of Varadero's centre, located 8 km away from the resort.
